5TH OCEANIA CHAMPIONSHIPS

The Opening Ceremony

To all Officers and Members,

The Management Committee presents for your consideration, the Annual Report and Statement of Accounts for the year ended 31 October, 1990.

1990 was another very busy year and some of the highlights were:

- New Zealand hosted the 5th Oceania championships;
- An Oceania Olympic Solidarity Regional table tennis course was held;
- The inaugural Secondary Schools Girls Teams championship was held;
- New Zealand was represented at World table tennis events;
- New Zealand competed in the Australian International Open championships;
- Junior and youth teams competed in the respective Australian championships;
- Grant aid funding was received from the Hillary Commission;
- Financial assistance was received from the NZ Sports Foundation;

5TH OCEANIA CHAMPIONSHIPS

Highlight of the year would be the very successful hosting of the 5th Oceania championships in Palmerston North 14-18 September.

These championships were originally allocated to Tahiti and when they were unable to take up their option New Zealand was asked to do so. Our ability to finance them depended on the success of an application made to the Hillary Commission for Recreation and Sport and our ability to obtain sponsors.

The National Council, at its meeting on 9 July, agreed that if the Hillary Commission application was successful, we should proceed with hosting the championships and that NZTTA would underwrite the cost to a maximum of \$10,000, if there was a shortfall in cash from sponsors.

When the Hillary Commission granted us \$10,000 at the end of July planning proceeded so, in effect, there was about six weeks in which to finalise arrangements.

An approach was made to a marketing consultant who agreed to approach the television channels for coverage of the championships and to obtain sponsorship. Because television would not make a commitment, sponsorship monies were very difficult to obtain. The overall level of sponsorship was quite disappointing but this was due almost entirely to the short time available to arrange it.

The coverage by the local radio stations, 2XS and 2ZA, was very good, as was the Manawatu Standard which frequently had a reporter present. Over 230cms appeared in the Manawatu Standard.

The shortfall was about \$7,000 which, in the circumstances, was a very creditable result.

A lot of the credit for this is due to Dennis Emery and Michael McAvinue, the Manawatu members of the organising committee. They arranged motel accommodation at very competitive rates and organised a cafeteria service with a number of products being sponsored or subsidised. This enabled lunches and dinners to be served to players and officials on a ticket system at very reasonable prices. A cash allowance was paid to all teams and umpires for breakfast.

We gratefully acknowledge assistance from the following:

***	Hillary Commission	\$10,000.00
***	Awapuni Hotel	\$ 1,000.00
***	Budget Rent-a-Car	\$ 250.00
***	Capital Dairy Products	\$ 250.00
***	Denis Reichenbach Scrap Metals	\$ 250.00

- *** Consolidated Motels - for being the link in arranging the motels for the teams and officials.
- *** Copy Corp - for the supply of a photocopier and paper.
- *** New Zealand Post - for the supply of furniture and partitions for the tournament office and a post box which was cleared daily.
- *** Affco New Zealand Ltd.
- *** The Meatworks.
- *** Watties.

A ranking committee comprising Neil Harwood (Australia), Alain Cugola (New Caledonia) and David Jackson (New Zealand) was appointed, and the 1990 rankings were announced by Ken Wilkinson at the conclusion of the championships.

The presentation ceremonies were done Olympic style to the accompaniment of music with Dennis Emery as the Compere.

An invitation was extended to the Australian Table Tennis Association for some of their International Umpires to officiate on the basis that they paid their fares to New Zealand and we provided them with hospitality. We were very happy to welcome Ian Finlay and Doug Luckraft. In addition Philip Males attended in his capacity as an ITTF International Umpire Assessor for Oceania. He also acted as Referee for the championships. As well as the Australians, New Zealand was represented by four international and four National Umpires.

The professionalism of the Umpires in their standard of dress and demeanour added to the atmosphere of the championships. The opportunity for the Umpires to discuss matters of common interest gave umpiring in New Zealand quite a fillip.

During the concluding presentation ceremony, the Umpires were each presented with an Oceania Federation medal as a memento of the occasion, and to recognise their significant contribution to the championships.

These were the best presented championships to have been held in New Zealand. Full use was made of a public address system with a competent compere. Music was played before and after matches and between games and at appropriate times a commentary was added.

The detailed results are listed on pages 64-69.

OLYMPIC SOLIDARITY COURSE

The Solidarity Commission is the funding arm of the International Olympic Committee. It derives its funds from the television rights to the Olympic Games.

The Regional Course which was held in Hamilton 7-14 May was the result of discussions held at the general meeting of the Oceania Table Tennis Federation held in New Caledonia in 1988 when it was agreed that a course which could combine the coaching of young players with training for coaches from each of the Oceania member countries was a logical progression to the administrators seminar which had been held in Sydney in 1988.

A grant of \$US30,000 was received from the the Solidarity Commission to enable invitations to be extended for one coach and two young players from each of the Oceania member countries to attend the course.

Coaches and players attended from Australia, Fiji, New Caledonia, Papua New Guinea, Tahiti, Western Samoa and New Zealand. Guam was to have been represented but encountered problems which prevented their attendance.

The course was conducted by Peter Hirst (NZ Director of Coaching) and Ron Moule (Australian Director of Coaching.)

The following acknowledgements are made:

- *** Olympic Solidarity Commission
- *** International Olympic Committee
- *** Oceania National Olympic Committee
- *** International Table Tennis Federation
- *** Oceania Table Tennis Federation
- *** Waikato Sports Foundation for the use of their minibus to transport participants from and to Auckland airport and during the course.
- *** The Hamilton Table Tennis Association whose members gave invaluable assistance during the course and in meeting and transporting participants from and to Auckland airport.

The course was opened by Ken Wilkinson, President of the Oceania Table Tennis Federation. During the course visits were received from Mrs Ann Taylor, Chairperson of Hillary Commission SportsCorp, Mr Fred Smith, Secretary-General of the NZOCGA and Mr Tay Wilson, Secretary-General Oceania National Olympic Committee. Mr Wilson was the guest speaker at the concluding dinner and presented the Solidarity certificates to the participants.

ADMINISTRATION

National Council

The National Council comprises the six Councillors elected by each of the regions plus the members of the Management Committee.

During the year under review the Council met on five occasions with one of the meetings being held in Napier the day following the conclusion of the North Island championships. The lunch on that occasion was hosted by the Deputy Mayor of Napier.

Restructure of Management Committee

At the 1990 Annual General Meeting a recommendation was passed that a sub-committee be appointed to consider restructuring the NZ Association's Management Committee. At the first meeting of the National Council it was decided that the sub-committee comprise the full National Council with the President as the convenor. At a subsequent meeting Councillors generally agreed that the current structure of a National Council and a small Management Committee met the current needs of table tennis. They also agreed that the goals set out in the 1989 funding application to the Hillary Commission were still appropriate:

- (a) To increase the number of affiliated players in New Zealand;
- (b) To give all affiliated players the opportunity to reach their full playing potential;
- (c) To contribute to and fulfil our obligations through our membership of the Oceania Table Tennis Federation, the Commonwealth Table Tennis Association and the International Table Tennis Federation;
- (d) To raise the profile of the sport of table tennis.

Having agreed that the structure was in place the next matter considered was to explore how it could work more effectively. A start was made on the job descriptions for the officers of the Association which did not have one and existing job descriptions were re-examined. These have nearly been finished.

To help raise the profile of table tennis Councillors agreed to investigate the setting up of a publicity network through the six regions. Publicity Officers have so far been appointed in two regions.

National Type Championships

The National Council appointed a sub-committee to consider various aspects of the North Island, South Island, New Zealand and NZ Veterans championships. The opportunities for the sub-committee to meet have been very limited but there will be a proposal submitted to the 1991 Annual General Meeting regarding the conduct of the New Zealand championships.

General Promotional Poster

The survey of associations to ascertain interest in having a suitable poster available resulted in a positive response. Posters will be available for the 1991 season.

Official Ball 1991/92

The National Council agreed to the adoption of the Double Fish 3-star ball for all national type championships, rating tournaments and international contests in New Zealand from the beginning of 1991 until the 31 December 1992.

The offer allowed for a discount to associations on all purchases and, in addition, royalty payments would be made to NZTTA.

Regional Councillors 1991

The Regional Councillors for 1991 have been elected and the following will represent the six regions:

Region 1:	David Jackson
Region 2:	Geoff Rau
Region 3:	Michael McAvinue
Region 4:	John Lelliott
Region 5:	Bryan Keane
Region 6:	Barry Butler

It is appropriate to record our appreciation for the contributions which Frank Powell (Region 3) and Merv Palmer (Region 5) made during their term as Regional Councillors.

Management Committee

The Management Committee met on ten occasions up to 12 December (the last meeting prior to the preparation of this report) and the attendance record was as follows:

John Beatson	9	Ron Menchi	9
Peter Hirst	7	Robin Radford	7
Dick Lynn	8	Merv Allardyce	10

Apologies were received for absences which were caused through members being out of town or ill.

Sports House Premises

From time to time the question is raised whether cheaper accommodation could be obtained for the national office. This raises two matters. The first is that the concept of a Sports House is an excellent one but is difficult to quantify in monetary terms. The second is that all members in Sports House are conscious of costs and are constantly investigating alternative premises which includes eventual ownership of a building.

Table Talk Newsletter

When, at the 1987 AGM, it was proposed to produce a newsletter there was wide support but this did not translate into a large number of subscriptions when the newsletter was introduced in the 1988 season. There are currently about 120 subscribers. Because of the very heavy workload in 1990 only one issue was published. The National Council considered that the newsletter met a need and so decided that a further four issues should be published. It is also proposed that we explore the possibilities of combining our efforts with the Australian TTA newsletter which could give subscribers news of what is happening on the Australian scene.

Meeting with Australian TTA Officials

During the Oceania championships in Palmerston North the opportunity was taken to discuss matters of mutual interest and concern with officials of the Australian TTA.

Hillary Commission for Recreation and Sport

In December 1989 we received grant aid from the Hillary Commission amounting to \$46,500. The amount was based on the objectives and priorities outlined in the NZTTA management plan which had been submitted to and discussed with the Commission.

Full time Executive Director	29,000
Part time clerical staff	7,000
Director of Coaching	4,000
Secondary Schools Girls teams championship	4,000
Attendance at an ITTF meeting	2,500
	<u>\$46,500</u>

The offer for the secondary schools girls teams championship was subject to specific conditions one of which precluded any of the grant being used to subsidise travelling expenses. We qualified to receive \$1,600 of the offered amount.

In July the Commission granted a further \$10,000 to enable us to host the Oceania championships.

The level of funding for 1991 has been increased by about 50% and this additional funding will be used in our coach education programme. More information is contained in the Coaching section of this report.

We are grateful to the Hillary Commission for their financial assistance. We also record our appreciation to the staff of the Commission whose advice and assistance has always been readily available.

In addition to their funding activities, the Commission conducts initiatives such as Fair Play, Volunteers Involvement Programme, Women in Sport, KiwiSport, Drugs in Sport etc. As appropriate, table tennis links in with these programmes.

NZ Assembly for Sport

The Assembly for Sport plays an important role on behalf of its member national sports bodies which represent 1.3 million New Zealanders. It represents the interests of sport in representations to the Hillary Commission, Government and other agencies as appropriate.

NZ Sports Foundation

We are grateful to the Foundation for their assistance which enabled some of our younger players to be physically assessed at the Auckland University Recreation Centre in September 1989 and to be re-assessed in February 1990.

The players who participated in the Asian Junior championships were presented with a Foundation sweat top and shirt.

COACHING

The activities of the Director of Coaching are divided into work which is performed on contract and his contribution as a volunteer administrator (in the same way as the elected members of the Management Committee.)

Contract work broadly covers:

- * Coach education - mainly seminars for coaches on a regional basis.
- * Teacher education - the promotion of Kiwi Table Tennis to teachers and Teachers College students.
- * Direct the national junior coaching schools as appropriate.
- * Act as non-playing captain with New Zealand teams.

As a volunteer administrator he is involved in:

- * Administrative work as a member of the Management Committee and National Council.
- * Duties associated with being convenor of the NZ Selection panel.
- * Administrative work associated with coaching e.g. technical publications, reviewing and updating manuals etc.

Although dates had been set in advance for the 1990 regional seminars for coaches only three were held. Schools demonstrations were included in the visit.

Arising from the seminars which were held was a recommendation that each seminar be reduced to one day's duration. This recommendation has been incorporated into the 1991 programme.

It is important that associations and regions appreciate that as the costs of these seminars come from the grant aid funding from the Hillary Commission, NZTTA is accountable to the Commission to justify the level of grant aid. If we i.e. NZTTA, associations and regions, do not perform then we will not receive funding. The funding is not received as of right.

Other activities by the Director of Coaching included:

- * Conducted the National Junior Coaching Schools;
- * Directed the Olympic Solidarity Regional course in Hamilton;
- * Travelled with the New Zealand teams to the Australian U15/U17 championships;
- * Travelled with the NZ senior teams to the Australian open and the qualifying tournaments for the World Cup and World Doubles Cups;
- * Acted as non-playing captain to the NZ teams at the Oceania championships;
- * Conducted introductory courses for teachers and Teachers College students at Waikato and Palmerston North Teachers Colleges - a total in excess of 300 participated;
- * Further introductory courses were held in Regions 3 and 4 when about 60 persons were introduced to table tennis coaching.

In September 1989 the opportunity was taken for the members of the team which competed in the Asian Junior championships and some other young players to be physically assessed. This was made possible by Steve Hollings, Director of the Auckland University Recreation Centre and the NZ Sports Foundation. The assessments were done at Auckland University and the NZ Sports Foundation subsidised the travel costs of those who had to travel by air. The players who were available were re-assessed in February.

We record our appreciation to Steve Hollings and the NZ Sports Foundation for their assistance.

The Hillary Commission has made additional funding available for our 1991 coaching programme and it is proposed to use some of it to contract suitable coaches to work within regions in the areas of coach education, coaching of players and promotion of Kiwi Table Tennis in primary schools. Associations have been asked to submit the names of suitable persons who, with training, could meet the criteria which was set out in the circular to associations. It is hoped that most of the details will be finalised by the date of the 1991 annual general meeting when a further report can be given.

FINANCE

The new system which was introduced in 1990 of allocating a percentage of the NZTTA budget to regions, and associations agreeing to their share of their region's allocation seemed to have operated quite smoothly. Although some amounts are still outstanding the system ensured more certainty of revenue to NZTTA.

The National Lottery was conducted on a voluntary basis and this proved very successful for the 19 associations which participated in it. Over \$52,000 was retained by associations. It is proposed to conduct a similar lottery in 1991.

PLAYER OF YEAR AWARD

PETER STUART JACKSON (Auckland) was named the 1990 Player of the Year.

Peter has a World ranking of 135, won the Oceania and New Zealand Men's singles title and won the qualifying tournament to represent Oceania at the 1991 World Singles Cup.

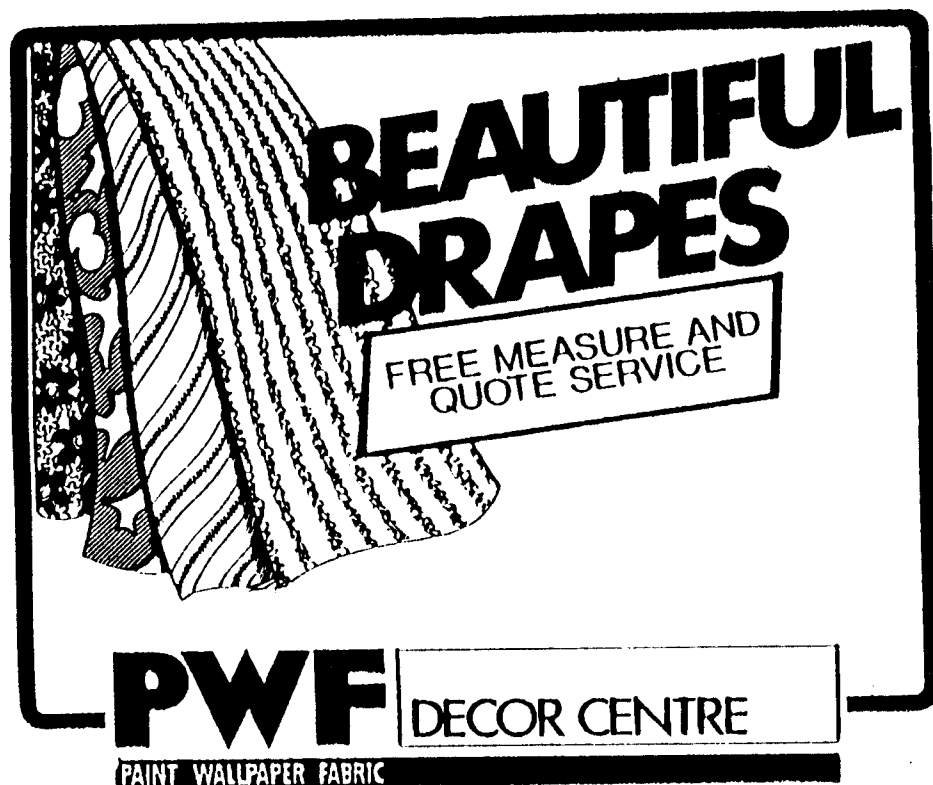

JUNIOR OF YEAR AWARD

The following nominations were received:

Daniel Hempstead (Hamilton)	Carl Herbert (Hamilton)
Louise McFarlane (South Canterbury)	Robert Marshall (Hawkes Bay)
Tracey O'Connell (South Canterbury)	Samantha Palmer (Canterbury)

The 1990 Junior of the Year and the winner of the H N Baillinger Cup was TRACY ANNE O'CONNELL.

Although the number of nominations received was small, the submissions made on behalf of each nominee were, again, very impressive. It is heartening to note that there are a number of younger players who have taken an interest in the management of clubs and associations.

OCEANIA TABLE TENNIS FEDERATION

During the Olympic Solidarity course the opportunity was taken to discuss with the visiting coaches the development of the Oceania region. There was discussion on a wide range of topics including visits to the Island countries by coaches, Oceania schools competitions, an Oceania Junior championship, coaching resources etc. Any ideas will take time to develop and bring to fruition but there was a lot of agreement on the direction which should be taken. The ideas were further explored at the General Meeting of the OTTF which was held later in the year.

The General Meeting of OTTF was held in Palmerston North during the Oceania championships. NZTTA was represented by Geoff Rau and Merv Allardyce. Highlights of the meeting were:

- (a) Ken Wilkinson was re-elected President.
- (b) Geoff Rau was elected to succeed Ken Wilkinson as the ITTF Vice-President for Oceania. Ken had given notice of his intention to retire as an officer of the ITTF at the 1991 Biennial General meeting.
- (c) The meeting agreed to create the positions of Development Officer and Media Officer. Geoff Rau (New Zealand) and Mike Johns (Australia) were elected to the respective positions.
- (d) Philip Males (Australia) was to present submissions to the OTTF Management Committee on proposals to form an Oceania Umpires Panel.
- (e) The ITTF Ambassador Squad is to visit some of the Island countries in February 1991 to promote the sport.
- (f) The election of Ken Wilkinson (New Zealand) and Keith Bowler (Australia) as the first Life Members of the Federation. Both have been associated with the Federation since it's official recognition by the ITTF in December 1977 and richly deserved the recognition bestowed on them.
- (g) Seven members of OTTF are now affiliated to the ITTF.

The development of the Federation is of vital interest to, especially, Australia and New Zealand for without it our players would not have access to some of the world events including the Olympic Games.

The contract between Tamasu Co Ltd and the New Zealand Association to outfit the national senior and junior teams with a range of BUTTERFLY tracksuits, skirts, shorts, shoes and rubbers is current to 31 December, 1990. DOMESTIC PROGRAMME

A full programme of National tournaments was held.

- ** 4th NZ Veterans championships hosted by Canterbury 13-16 April.
- ** The NITTAKU Under 15 and Under 17 boys and girls combined National coaching school hosted by Auckland 16-18 March.
- ** Richard Pearse Restaurant South Island championships hosted by South Canterbury 15-17 June.
- ** Trustbank North Island championships hosted by Hawkes Bay 6-9 July.
- ** Telecom New Zealand championships including the senior and junior inter-association teams championships, individual events and Inter-Island contests hosted by Hutt Valley 25 August-2 September.
- ** New Zealand finals of Schools Teams Championships:
 - * Secondary Schools Girls hosted by Hutt Valley 6-7 October.
 - * Secondary Schools Open hosted by Southland 13-14 October.
 - * Primary/Intermediate hosted by Kapiti 27 October.
- ** Top 12 tournaments were held as follows:
 - Under 15 Boys: Hosted by Auckland
 - Under 15 Girls: Hosted by Auckland(Both these tournaments were held in conjunction with the National coaching schools.)

4th New Zealand Veterans Championships. This is the second time the Canterbury Association has hosted these championships, the principle sponsor for which was Jenkins Sports Agency. Although the total number of competitors was down from about 100 to about 90 the number of teams which competed increased by 12.

Richard Pearse Restaurant South Island Championships. The NZ Liaison Officer, John Bower, reported that the general organisation of these championships was excellent. An innovation was that a semaphore board was not used but a computer screen in the lounges showed the now-on and next-on matches. John Bower commented on, and congratulated, the number of younger people who were involved in running the tournament.

NZ INTERMEDIATE SCHOOLS

CHAMPION TEAM

Trustbank North Island Championships. This was the fourth time they have been hosted by the Hawkes Bay Association. In his report Ron Menchi, the NZTTA Liaison Office commented that although the tournament was very well run the organisers were placed under some pressure due to the late withdrawal of some leading players. The draw for the championship men's singles had to be done three times! Also noted was that, although the tournament was named "The Trustbank North Island Championships" no fewer than 49 firms were thanked in the programme for assistance in various forms.

*note
submits*
The Telecom New Zealand Championships. NZTTA Liaison Officer, Ron Menchi, summed up these championships as a mixed bag. Because the tables were situated in three venues with different lighting tones in each there was a feeling of fragmentation which in turn must have placed a greater burden on the organisers. In Ron Menchi's opinion the cafeteria service was the highlight of the tournament. The staffing was by amateurs who were attractively attired in uniforms, complete with hats and name panels. Meals were first class with everything being prepared and baked on site.

The Minister for Recreation and Sport, Hon Noel Scott, presented the junior prizes and we were honoured by the presence of our Patron, His Excellency the Governor General, the Most Reverend Sir Paul Reeves GCMG, on the final afternoon.

Schools Teams Championships. A Secondary Schools Girls Teams Championship was introduced with the aid of a grant from the Hillary Commission's Women in Sport programme. The championship progressed through three levels - association, regional and New Zealand final. As some associations did not return completed questionnaires it is difficult to ascertain the number of schools which participated. However, from the replies received there is little doubt that it will become a permanent event.

The format of the Primary/Intermediate championship was changed to be similar to the secondary schools championship i.e. conducted at association, regional and national finals levels.

The secondary schools open championship again confirmed Hutt Valley High School as the No. 1 table tennis college in New Zealand when they won the championship for the fourth successive year.

We are grateful to the Hutt Valley, Southland and Kapiti Associations for hosting the New Zealand finals.

The total travel costs of all the teams which travelled to their respective finals was \$8,000 and the costs of each were equalised among the associations which participated. It is proposed to explore the feasibility of the secondary schools finals in 1991 being played in the Auckland area just prior to the New Zealand championships. As most of the players involved are likely to compete in the New Zealand championships there could be a saving of about \$6,000 in travel fares.

INTERNATIONAL PROGRAMME

During the year New Zealand was represented at the following tournaments:

- 4th Asian Junior Championships in New Delhi 19-26 December 1989;
- TSP World Team Cup for men in Japan 17-23 May;

5TH OCEANIA CHAMPIONSHIPS

Officiating Umpires

(l-r) Philip Males, Andrew Marr, Tarzan Graham, Paul Escott, Tony Darroch, Michael McAvinue, Keith Fraser (partly obscured), Doug Luckraft, Ian Finlay.
Presenting the medals is Ken Wilkinson with Merv Allardyce.

- 22.
- 1st Australian International Open championships in Melbourne 25-29 May;
- Oceania qualifying tournaments in Melbourne 30 May for:
 - Butterfly World Doubles Cup (men and women);
 - 555 World Cup (men's singles).
- U15 and U17 Australian Championships in Adelaide 1-6 July;
- U19 and U21 Australian Championships in Sydney 6-9 August;
- 5th Oceania Championships in Palmerston North 14-18 September;
- 7th Australian Veterans championships in Hobart 20-27 October;
- 555 World Cup in Japan 11-14 November.

The teams which competed in the 4th Asian Junior Championships were the best attired team to leave New Zealand for many years. John Bower organised black V-necked jerseys with a silver fern embroidered above the words "New Zealand Table Tennis Team." This jersey plus white shirt and grey slacks or skirt comprised a very effective travelling uniform at very modest cost. This "uniform" was adopted for all teams during 1990. The NZ Sports Foundation kindly donated a sweat top and shirt with their logo for casual wear. On the playing side the boys team performed particularly well in finishing in 9th place out of 20 teams - a tremendous effort. This tour cost each of the players \$2,200. The results are listed on page 58.

The World Team Cup is a new event which will be held biennially in the years between the World championships. Separate events for 16 men's teams and 12 women's teams are held. The 1990 events were sponsored by TSP and total prize money of \$US80,000 for the men's event and \$US50,000 for the women's event was available.

The New Zealand men qualified to represent Oceania through winning the men's team event at the 1988 Oceania championships. Non-playing captain David Jackson reported that the tournament featured several innovations including:

- The qualifying groups were played in four different Japanese cities and the post-section knockout in a fifth city;
- The New Swaythling Cup system was played;

The 1st Australian International Open Championships was an important event for the Australian TTA as they were conducted as part of the bid by Melbourne to obtain the 1996 Olympic Games. Teams from China, Japan, Korea, Australia and New Zealand participated. ITTF President, Ichiro Ogimura, opened the championships.

The detailed results are on page 59.

The qualifying tournaments for the Butterfly World Doubles Cups for both the men and women were won by Australian pairs. However, in the case of the men the ITTF ruled that Barry Griffiths had not qualified to represent Australia so the option to compete was given to Hagen Bower and Peter Jackson. Unfortunately, Hagen Bower took ill so the New Zealand pair were unable to compete.

The 555 World Cup qualifying tournament was won by Peter Jackson who represented Oceania with distinction. This tournament was played in Chiba, Japan, and it is interesting to note that total prize money of \$US75,000 was at stake. Details of qualifying tournaments are on page 60 and Peter's results at Chiba are on page 70.

The Australian U15 and U17 championships were held in Adelaide. Our U17 girls team won all their contests and the U15 girls lost only one contest. In the individual events Tracey Epps won the U17 girls singles and Barbara Dickey and Melanie Low won the U19 girls doubles.

Each of the players paid about \$1,600 for the tour. The results are listed on page 61.

For the Australian U19 and U21 Championships New Zealand entered a men's team in each category and a women's U21 team. The women's team won all their contests and both the men's teams each lost only one contest. Star of the women's team was Sharon Coad who won all her singles. In the individual events Hagen Bower won the U21 men's singles, the U21 and U19 men's doubles with Aaron Winborn and was runner-up in the U19 men's singles. The players each paid approx \$1230 to compete.

The results are set out on pages 62-63.

OBITUARY

We record with sadness the deaths of table tennis administrators who, by their dedication, made a significant contribution to the development of table tennis in New Zealand.

**** MRS EDNA MARGARET MCCALLUM died suddenly in Christchurch on 27 May 1990 at the age of 74. Mrs McCallum, who was the widow of the late Alan McCallum, made a tremendous contribution to table tennis especially in the Canterbury region. The trophies for the New Zealand Over 45 Mixed Doubles and the Junior Umpiring Awards are named after Mr and Mrs McCallum.

**** KEITH B LONGMORE died on 27 July 1990 in Auckland. He was the second person to be elected Secretary/Treasurer of the NZTTA and held these positions from 1935 to 1938. Keith was also the second person to be elected a Life Member of NZTTA, an honour which was bestowed on him in 1955.

To all members of the NZ table tennis fraternity who have suffered a death in their family we extend our condolences.

TRIBUTES

**** Ken Wilkinson Earlier in this report it was recorded that Ken Wilkinson had given notice of his intention to retire as an Officer of the ITTF at the 1991 ITTF Biennial General Meeting.

This is an appropriate time to acknowledge Ken's contribution to table tennis at the international level. He has been involved with the ITTF since he was first appointed a Vice President in 1967. At that time the agreement between Australia and New Zealand was that the appointees of the two countries would alternate on a two year rotation between the ITTF positions of Vice President and Council member. The commitment required of these positions included the need to attend one or two meetings per year somewhere in the world. The fact that he had to pay the bulk of his travel costs himself must, surely, give some indication of his commitment to table tennis. And this tremendous contribution from a person who does not rate himself as a player. Remember that he was also the NZTTA Secretary for 36 years!

How does one express in words the plaudits Ken deserves. From this pen a humble and sincere 'thank you' for keeping New Zealand and Oceania on the international map.

**** Frank Powell did not seek re-election as a Regional Councillor and has retired from the administration of table tennis (he hopes!) after a long and distinguished record which started on the West Coast and finished in Hawkes Bay. His contribution to table tennis was probably highlighted by the number of North Island and New Zealand championships held in Hawkes Bay for which he was Tournament Manager. His pre-planning and attention to detail ensured that these tournaments usually ran very smoothly. His services were also used by other associations.

He served two terms as New Zealand President in 1986 and 1987. From the table tennis family a sincere 'thank you' for your contribution to table tennis.

**** Dick Lynn has been the NZTTA Treasurer since 1979. As he is not seeking re-election in 1990 we record our appreciation to him for the efficient manner in which he looked after the financial matters of NZTTA for the past eleven years.

SNIPPETS

**** Michael McAvineu (Manawatu) was successful in passing his international umpire examination.

**** Errol Cheal was nominated by NZTTA for an award of "The New Zealand 1990 Commemoration Medal." The nomination was successful and we were delighted to recently learn that Errol had received the award. The Queen instituted the medal to mark Her Majesty's visit to New Zealand and the 1990 Commemorations. The medal was only awarded during 1990 to selected persons in recognition of their contribution to some aspect of New Zealand life including the areas of recreation and sport. It is interesting to note that Errol won the first NZ men's singles title in 1934 and in 1990 he won the World veterans over 80 men's doubles title thus becoming the first New Zealander to win a world table tennis title.

APPRECIATION

During a year we are accorded assistance from a number of sources in addition to those who have already been mentioned. Associations and individuals have provided billets for teams, the Director of Coaching and Executive Director. To these persons, and others who have assisted, we say a very sincere 'thank you.'

CONCLUSION

1991 promises to be another busy year.

Included in the programme will be New Zealand's participation in the World championships in Japan in April. The countdown to the Barcelona Olympic Games in 1992 will commence with the Oceania qualifying tournament in August. Peter Jackson, by winning the 1990 Oceania men's singles will represent Oceania in the 1991 World Cup.

The increased grant aid funding from the Hillary Commission will enable further development in the areas of coach education.

A Rating category will be introduced for veterans and the possibilities of a National League are being explored.

TREASURER'S REPORT

The Association maintained its financial position in 1990. Net working capital increased from \$19,931 in 1989 to \$22,757 at 31 October 1990.

The Management Committee was able to raise sufficient income from avenues set down by the 1990 Annual General Meeting and the National Council to meet budgetted expenditure of \$100,000 and an Oceania championships deficit of \$6,764 not budgetted for.

There was plenty of activity in the year involving expenditure. Our players, at their own expense, went to Japan and three Australian open championships. Our Association hosted an Olympic Solidarity course and the Oceania championships. A combined National Junior coaching school was held in Auckland.

A grant of \$40,000 was received from the Hillary Commission for administration and coaching. A further \$10,000 was received from the Commission for the Oceania championships.

Income from allocations to associations (decided by their regions) and levies from national championships brought in \$62,019 as against \$69,470 for 1989. The figure of \$69,470 included \$21,124 revenue from the national lottery. No guarantees were imposed for this year's national lottery. Costs of the lottery only were recovered from the associations. The shortfall in income represents unpaid 1990 allocations. The amounts received in 1991 will be shown as 1990 allocations to regions.

For 1991 the Hillary Commission has granted us \$62,000. As \$37,000 has to be set aside for the coaching programme, there is no extra income from the grant to meet administration expenditure.

The National Council has approved that allocations to district associations in 1991 total \$63,000. This will enable the Association to balance its budget for 1991.

1990 RANKINGS

The 1990 Annual General Meeting resolved "THAT the National rating system not be taken as the official ranking list; that the National rankings revert to a NZTTA sub-committee appointed for that purpose." ASSOCIATION AWARD - ARTHUR MRACHEN MEMORIAL CUP

This award is presented to the association whose players achieve the most successes in the finals of the Open and senior age group individual events at the New Zealand championships.

Points are awarded on the basis of 4 and 2 respectively for the Open and age group events. In the doubles events the partners share the points.

UCKLAND was the 1990 winner with 25 points, followed by Hutt Valley 14, North Harbour 8, Canterbury 7, Counties and Hamilton 3 each, Waitemata 2, Southland and Wanganui 1 each.

ASSOCIATION AWARD - BILL HURREY CUP

This award is presented to the association whose players achieve the most successes in the finals of the junior individual events at the New Zealand championships.

Points are awarded on the basis of 4 points for the Under 19 and 15 events and 2 points for the Under 15 and 13 events. In the doubles events the partners share the points.

The 1990 winner was AUCKLAND Association whose players scored 16 points. They were followed by North Harbour 8, Hutt Valley 7, Hamilton and Canterbury 4 each, Otago 3, Nelson and Wanganui 1 each.

ALAN AND EDNA MCCALLUM JUNIOR UMPIRING AWARDS

Seven associations nominated 8 boys and 11 girls for these awards.

The 1990 winners were MARK MAYO (Canterbury) and MICHELLE POTTS (Counties).

In his report the Judge, Mr John Kiley, made some very sound observations:

"In judging, I paid particular attention to audibility, accuracy, fairness, decisiveness, decorum and involvement.

The following nominees stood out above the others: Glen Foulkes, Mark Mayo, Brent Maitland, Samantha Palmer (all Canterbury); Greg Clark (Hutt Valley); Craig Logan (Nelson); Michelle Potts (Counties); Tracey Phillips (Otago).

Among some of the other nominees, and the multitude of un-nominated juniors, the standard of umpiring was quite low. Areas needing improvement include attentiveness (the umpire's attention was often seen to wander even during rallies); decorum (many umpires sat very lazily); and audibility (some umpires were totally inaudible, even to the players). The latter is still unacceptable even though flip score-charts were provided.

It is recommended that associations encourage their promising young umpires and remind them that a good umpire can lift an otherwise mediocre match to a high level simply by being fully involved in it.

The format of the awards is a little restrictive as it permits only the nominations of juniors whose playing standard justifies their attendance at the Nationals. Attention could be drawn to good junior umpires of lower playing ability by encouraging associations to select their own "Junior Umpire of the Year" and advise the NZTTA of the winner."

VICTOR BARN DUNLOP CUPS

Congratulations are extended to the SOUTHLAND men's team and the SOUTHLAND women's team for winning the respective cups.

The convenor of the judging panel, Mrs Lorna Bargh, wrote in her report:

"My fellow judges Betty Gardner, Paul Field and I were of the opinion that the behaviour of the teams was of an excellent standard compared to four years ago when we were judges at the 1986 Championships.

Dress was of a high standard. If teams want their shirts in or out all members of the team should be the same, not one in and another out. A member of a men's team had no uniform of the association he was representing, therefore, lost a lot of points.

Sportsmanship of the teams was of a high standard. Punctuality was good, though a number of teams had to wait for Veteran events to finish, this was taken into account. Where points were lost was when a team member due to play had to be found, therefore, not ready when the previous match had finished.

Table etiquette, though only earning a small number of points, was only fair, e.g. walking in front of umpires, though plenty of room to walk behind, wiping hands on the table, feet on tables to tie shoe laces, these were the most noticeable, a number of teams seem to do these actions nearly all the time."
