Introduction

There is little doubt that the year was highlighted by hosting the largest international table tennis event ever held in New Zealand. The ITTF World Junior Circuit event was held in conjunction with our National Championships, and over the fortnight some of the highest quality table tennis ever seen in New Zealand was played. Eight countries, Australia, China, Chinese Taipei, Fiji, Hong Kong, India, Japan and New Caledonia joined New Zealand for the last of this years World Junior Circuit event. Over 400 players from overseas and New Zealand competed in our National Championships, making it a truly international tournament.

Table Tennis Wellington, hosting its first National type championship for over a decade, accepted the challenge of organising and hosting the tournament in Wellington at its Queens Wharf Event Centre. The hard working committee, with far too many individuals to name, began planning some 15 months ago. They must be congratulated for organising an excellent event.

Once again TTNZ has much to thank James Morris for, with his continued commitment and dedication to the development and improvement of coaching throughout New Zealand. He organised and conducted an Oceania Level 2 "Coach the coaches" seminar for New Zealand and overseas coaches, and we were fortunate to have Glenn Tepper (ITTF) and Steve Dainton (OTTF) in attendance to assist.

Congratulations to Averil Roberts who was invited to umpire at the World Championships in Paris in May, and was appointed Assistant Umpire for the Women's Singles final.

Well done, David Jackson for being the first New Zealander to obtain International referee status.

A welcome to Graeme Mueller who has joined the TTNZ Board, and is now the second non-table tennis board member. Graeme has already shown he has a considerable amount to offer table tennis. Finally, a thank you for the commitment by the national office administration officers, Kevin Thomas who unfortunately had to resign during the year due to ill health, and to Averil Roberts who has more than ably taken over.

Alan R Hounsell
Chairman of the Board

Membership

Individual Member Registration has continued to operate after the question of its continuation was discussed at the last Annual General Meeting when associations fully supported it. They again gave their support mid year when a paper to discontinue it was put to Associations.

IMR is on a calendar based year for ease of reporting and it is not until close to the end of each calendar year are full membership figures available. Associations do struggle to report progressively throughout the year, something that needs addressing as does the criteria for registration to enable uniformity throughout.

Reporting on the membership has been changed this year, as it is not possible to supply proper figures as at the 30 Sept balance date due to lack of registrations.

Robin Radford continues to look after this function.

As at 31.12.00					
Men	1592	Boys Under 19	1685	Total Males	3277
Women	660	Girls Under 19	550	Total Females	1210
Total Seniors	2252	Total Juniors	2235	Overall Total	4487

As at 31.12.01					
Men	1632	Boys Under 19	1674	Total Males	3306
Women	718	Girls Under 19	557	Total Females	1275
Total Seniors	2350	Total Juniors	2231	Overall Total	4581

As at 31.12.02					
Men	1645	Boys Under 19	1386	Total Males	3031
Women	713	Girls Under 19	485	Total Females	1198
Total Seniors	2358	Total Juniors	1871	Overall Total	4229

As at 30.9.03 (Reported Financial Year to date – 1 st 9 months)	
Overall Total	2954

One large association has still not supplied IMR figures whatsoever for 2002 or 2003 to date. Full reporting by all clubs and associations would see the membership go up to an estimated 5000.

Coaching / Coach Education Report

Highlights for the year.

A major focus for 2002 was the Commonwealth Games in Manchester. So the main focus for 2003 has been juniors and developmental players.

In 2003 the junior national coaches have developed a framework giving a pathway for developing and junior players, and it has been aligned to the elite and high performance programme. However this year has seen TTNZ players participate in:

- Two Junior and developmental camps in Hamilton which one involved Australian players.
- Participation in the World Individual Championships in Paris, in France, with coach and video analysts.
- Peter Jackson played in the World cup in China as Oceania's representative.
- The World Junior Circuit was held in Wellington, with NZ players competing. Mikeal Andersson (ITTF), Glenn Tepper (ITTF) and Steve Dainton (OTTF) facilitated a training camp preceding the WJC.
- The World Cadets in Malaysia saw two juniors competing for Oceania.
- TTNZ boys won the right in Fiji in 2002, to compete for Oceania to play at the World Junior Championships in Chile.

Regional Coaching

It is pleasing to report that for the season 2004 regional coaches will be based in Auckland, Manawatu, Canterbury and Otago.

Coach Education

- Kiwisport and Teacher Training
- Level 1 – Courses were held in Port Waikato with 8 qualifying, Manawatu with 12 qualifying.
- Level 2 Solidarity Course – Funding was secured through NZOC, which enabled coaches to be subsidised to attend the course in Wellington preceding the WJC and the nationals. Mikeal Andersson and Glenn Tepper facilitated this course. Eighteen NZ qualified level one coaches from across the country attended with Oceania coaches attending from Vanuatu, Fiji, Kiribas, and Tonga.

PM Scholarship for coaches

TTNZ was successful in procuring a PM coaching scholarship for Helen Codlin to continue the development of the video analysis programme and attend the World Championships in Paris as well as professional development in England.

PM Scholarships for elite players

Elite players were awarded PM Scholarships for tertiary studies.

SPARC

Funding was secured for Li Chun Li in recognition of her success at the Commonwealth Games in 2002, for her build up and participation at the Olympic Games in Athen. A coach for Li Chun Li also won funding to attend various events with her in her build up towards the Olympics. Simeon Cairns, assistant national senior coach will be fulfilling this role.

Table tennis is now classified by SPARC as a developmental sport. Now table tennis has only one carded athlete, Li Chun Li.

I would sincerely like to thank Simeon Cairns, Murray Finch and Helen Codlin, my fellow national coaches for the work they do. Also regional, association and volunteer coaches I thank you all because you are working at the grass roots and this is pivotal for table tennis development and the future.

James Morris
Coaching / High Performance Director

Technical Committee Report

The committee's work is on-going throughout the year starting with the many rule changes that come from the ITTF that need to be adopted through to everything associated with the preparation for the 5 National type table tennis tournaments organized by TTNZ. Many other requests are made of our committee ranging from National tournament allocations, transfer of players, uniforms, right through to ball adoption etc. Most of these items we have dealt with in the past season with very positive results. Our highlight this year was the success of the 2003 Nationals where so many great table tennis players took part, the pre-event organization was a nightmare as it was hard seeding the overseas players we had no information on but all went well in the end.

Thanks must go to Shona Cudby, Andrew Palmer and Ben Hurr for their sterling work along with David Jackson who is as always able to supply us with the important information needed to do this job well. We see many requests come through the committee for approval or recommendations to the Board and these sometimes take a lot of research but the sport of table tennis is very fortunate to have many people with a vast knowledge and experience to match which makes our job easier. Thanks to all those people who have advised us throughout the season.

We are a very approachable committee and will listen to anyone's comments and opinions so feel free to talk to us at any stage if you have any questions or comments about table tennis in NZ. Let us all make table tennis an exciting, fun and friendly sport that all will want to play.

Thank you

Bryan Keane
Convener

Umpires

A few more opportunities were created this year with the holding of the World Junior Circuit event in Wellington. A new image for umpiring in New Zealand. We had about 14 qualified umpires all dressed in the New Zealand uniform which looked really smart.

More people are becoming interested in umpiring and a few more sat the Regional exam which is the first step of the process. Congratulations to Lindsay Ward, Craig Griffiths and David Williams who have recently passed their written Regional exams and to Greg Davey, Derek Lin and Dave Samson who have completed their practical exams.

A big congratulations also must go to David Jackson who attended an international Referees seminar in Malaysia and passed his international exam with flying colours to become our only international Referee ever.

Averil Roberts attended an advanced international umpires course in Melbourne and passed the appropriate exam which was the reason she was invited to umpire at the World Individual Champs in Paris in May.

Rankings

To qualify for a New Zealand ranking, players must have competed in a minimum of four rating events in any particular category, excluding B and C grades. Allowance is made for players who were unable to compete in rating tournaments due to overseas commitments.

The rankings are compiled by the Selectors. Results from Under 18, 17 and 16 events were considered as well as Under 19 for the Under 19 list; and results from Under 15 and all younger age-categories were considered for the Under 15 list. All other age-category results were considered for the Open lists.

There are some notable omissions from some lists caused by not enough performances in a particular category.

Ratings

The Rating Lists are based on points gained through participation in any open championship played in New Zealand, provided the results are forwarded to TTNZ. Points from last year are carried forward and updated lists are published regularly throughout the year. Only the top 10 players in each category are listed in this report. The full list can be viewed on the TTNZ website (www.tabletennis.org.nz)

The rating system is designed and owned by David Jackson, who operates it under contract to TTNZ. His contribution is gratefully acknowledged.

World Individual Championships

(Held in Paris, 19th – 25th of May 2003)

Management

The management team for the 2003 Individual World Championships included Simeon Cairns as coach and Helen Codlin in her function as sports code analyst as well as coach.

Team

Players involved were Peter Jackson, Shane Laugesen, Andrew Hubbard, Karen Li, and Li Chunli. Andy Huang pulled out of the championships.

Travel to the Stadium

This involved programmed bus transport, and took 15-60 minutes in duration, depending on the traffic. Some strikes and demonstrations in Paris meant that independent travel via the subway was used on a couple of occasions. Fortunately there was sufficient advanced notice to plan for this.

Playing Conditions

Two halls were used for matches with another hall used solely for practice. The main hall was spacious with good conditions. The second match hall had poor lighting with considerable glare on the tables. Our players were unable to get practice in the main hall, which disadvantaged them.

Organisation

The matches were generally on time although there was some last minute change of tables. Our woman's doubles combination was initially not sited on the printout of the draw. When our management questioned this the main draw was adjusted.

Video Operator

Helen Codlin was again able to use the coding analysis system to assist the players.

Level 2 Coaching Course

held in Wellington 19-21 September 2003

An Olympic Solidarity Course was held over 3 days and facilitated by coaches Mikael Andersson ITTF, Glenn Tepper ITTF Development Officer, and Steve Dainton Oceania Development Officer. It was funded by the NZOC to the tune of \$US7000.00. This was culminated after extensive liaison over a period of 4 years.

Eighteen NZ coaches attended from Northland to Southland as well as 3 national coaches. Four Pacific Nations attended: Fiji, Tonga, Vanuatu and Kiribati. Their presence gave the course a true Oceania flavour. By including Oceania countries it enabled a further funding of \$US2000.00 from ITTF towards course costs..

The course covered:

- Responsibilities of a coach
- Tactile control
- Technical/mental and physical issues
- Position/balance co-ordination
- Multiball
- Good service and returns

NZ Associations were asked to nominate coaches from their regions. Coaches attending were qualified at Level 1 and currently practising for associations. This criteria was set by ITTF and TTNZ (James Morris). Coaches now have criteria to fulfil before becoming a Level 2 accredited coach.

At the conclusion of the course the national coaches James Morris, Simeon Cairns and Helen Codlin met to confirm future directions and the requirements needed to fulfil this direction towards 2006.

ITTF Pro Junior Circuit Training Camp

held in Wellington 22-24 September 2003

An integral part of the Pro Junior Circuit is the ITTF Training Camp which is held prior to the Pro Junior Circuit event. It was run by Mikael Andersson, ITTF Junior Programme Manager, and in this case assisted by Glenn Tepper, ITTF Development Officer and Steve Dainton, OTTF Development Officer. The Assistant NZ Junior Coach, Helen Codlin provided support as did Assistant NZ Senior Coach, Simeon Cairns and Regional Coach Alan Pedley.

Alan Pedley, Tom Lui (Waikato coach) and Karen Li also participated as high quality training partner.

Sessions were:

Monday: 9-12 and 3-6
Tuesday: 9-12 and 1:30-4:30
Wednesday: 9-12

Lunches, morning and afternoon teas were provided by a joint effort of people including Margaret ? (Team Manager for Tasmania), Averil Roberts, Smita Bodas (Team Manager for India), Sabine Westenra and Helen Codlin.

The training camp was attended by the following countries:

- India
- Fiji
- Chinese Taipei
- Tasmania
- Vanuatu
- Kiribati

- New Zealand (Binbin Zhu (Mon/Tues), Simon Wallace (Wed), Nathan Lowe (Wed), Yi ching Yuen, Matthew Lowe, Hayden Tapp, Boris Trifunovich, Sophie Shu, Hanna Squire, Florence Li, Jenny Hung, Michelle McCarthy, Steven Zeng (Tues/Wed), Terry Zeng (Tues/Wed)). Unfortunately Nathan injured his thumb during the Secondary School Competition and could not fully participate.

While a number of the countries were not present at the training camp, Mikael Andersson was happy with the numbers who participated and the efforts that all the players made throughout the camp.

He tested the players' endurance and their ability to dig deep by having match play in the middle of the session followed by strenuous footwork exercises. He wanted to identify which players were still able to commit to giving 100% effort after matchplay.

He also encouraged players to think for themselves by having a number of free serve/return and footwork exercises. The key lessons for players, particularly for the serve and return exercise, was to give a couple of options for the return stroke to better simulate the 'unknowns' that exist in a match. Many players asked their training partner to return it to a particular position which of course they were expecting and ready for.

Overall, a very successful training camp that we can be proud of.

World Junior Circuit Event held in Wellington, 25 – 28 September 2003

Preparation

This was the largest international table tennis event ever hosted by New Zealand with participants over the fortnight from 16 countries in the various activities.

Work started 15 months prior when I approached first TTNZ then TTW to see if they would commit to the project, then the successful bid to the ITTF, all the time working carefully with Glenn Tepper and Mikael Anderson of the ITTF with their help proving invaluable. There were many requirements needed to be met by the ITTF in order to satisfy their needs. In particular the time table agreed to finally was a compromise between all concerned, not my first choice.

From here we met with the TTW steering committee under inspiring president Paul Escott and appointments were made. Soon an ever increasing team of administrators and volunteers were going about their designated tasks with cautious enthusiasm.

Deals were negotiated with Joola and Butterfly for international standard tables, balls and other equipment. Merv Allardye and myself acknowledge the generous contribution made by these two sponsors. Andrew Palmer spent considerable time training with the new computer team during the year using the proven North Harbour system.

Entry forms were pushed at the World Champs by Karen Li and Simeon Cairns and the seeds were sown. Sabine Westenra and Andrew Palmer set up a web site advertising the event and our fun event, (to be run by Bruce Northover) "the Worlds fastest smash" was born.

The last few weeks preparation was hectic with accommodation and airport arrivals being co-ordinated by Ron Menchi. Entries and changes to entries, fees payments, visa enquiries, special medals, prizemoney (US\$) and communication were handled by Averil Roberts who worked round the clock to keep up with demands.

WJC Tournament

We were happy with the final entry of teams from China, Chinese Taipei, Japan, Hong Kong, New Caledonia, India, Fiji, Australia and New Zealand. There were last minute withdrawals from Sweden, Romania and Jordan. Fields of 35 to 40 players in each of the boys and girls singles were of the highest standard ever seen in NZ.

We quickly found that International tournament demands were high and many requests were at short notice. Tournament controller Shona Cudby did admirably in handling the added demands often single handedly. Umpiring was at an all time high in NZ at this tournament with all official umpires dressed immaculately in black blazers and officiating at a high level. Their presence greatly helped the tournament run to time. From time to time NZ teams playing in the inter association events needed to be moved to alternate tables to keep to time.

There were some minor hitches.

Presentations were well attended by our visitors but New Zealand players need to learn some manners in at least showing up to the presentations. TTNZ will need to address this issue in the future.

TTW were hit with some unexpected additional expenses from the venue manager which was unfortunate and despite assurances from them the venue lighting was not of a consistent lux level throughout the stadium. The timetable was made increasingly difficult to do with the many last minute changes and the lateness of receiving the draw. I had only 2 days in the end to do the whole thing.

Many Positives

The matches of course were exceptional featuring some players ranked in the top 10 in the world and both the standard of play and the breathtaking rallies added to the excitement. The boys' teams final between China and Taipei played before the largest crowd of the tournament (est. 500) went down to the wire at 3-2 to China and featured some of the best table tennis ever seen in this country. There was good media coverage from Steve McCarthy and Rob Chung with 4 articles in the Dominion newspaper with photos, a 5 minute burst on TV3 News, a radio interview and regular articles on the web from Mikael.

There were dozens of comments from NZ players who said that this was the best National tournament that they had ever been to. We were naturally proud to receive letters of congratulations from both Neil Harwood (OTTF president) and the ITTF president Adam Sharara for a well run tournament. Mr Sharara has really made a big impact on the development of the sport throughout the world in his time as president and we in our corner of the globe applaud his efforts on behalf of table tennis.

Well done to all involved in this project and for your part, be it small or large in making this an event that we can all be proud of and remember fondly in years to come, and may this be only the beginning for NZ in aspiring to hold further International events in our country.

Communication

Table Tennis Info magazine

This magazine was launched in 1996 and issue No 1 was published in October that year. Issues 20, and 21 were produced in the year ending 30.9.03 with all issues mailed directly to each of our registered members. Editor Robin Radford is responsible for the high standard of production and has built up a vast library of photographs, clip-art, and cartoons as well as a network of professional artists and support personnel. John Kiley continues to provide support by sub-editing the text and contributing written material. A team of about ten volunteers assists with the dispatch up to 4000 copies of the magazine in individual envelopes.

TTNZ web site

Our web site (www.tabletennis.org.nz), continues to attract increasing numbers of visitors, favourable comments and useful suggestions. Originally set up by Mike Brown in 1998, it's development and day to day maintenance has since been in the hands of Robin Radford.

Internal Communication

Communication with member Associations was maintained by monthly Updates, reports on board meetings and sundry memos.

Table Tennis Academies

We acknowledge and commend the work done by the Table Tennis Academies at Lincoln University (operating with the support of Table Tennis Canterbury); and in Stoke, Nelson (operating with the support of Table Tennis Nelson).

Player Liaison

Alan Pedley has replaced Tracey McLauchlan as the Player Liaison representative. His attendance at Board Meetings to put forward any queries she had on behalf of the players will be welcomed.

Obituary

John Edwin Stewart – passed away on 15 August, 2003 at the age of 75.

He enjoyed the rare, if not unique, reputation of having represented New Zealand as a player, managed NZ teams, convened the NZ Selection Panel, directed national junior coaching schools, chaired the NZTTA executive committee, and served a term as New Zealand President.

He represented New Zealand as a player at the 1950 World Championships in Hungary.

Administration became his main interest in later years and between 1955 and 1970 he served on New Zealand sub-committees as varied as equipment, tours, ranking and seeding, national draws, coaching, umpiring and selection. He chaired the national body from 1965 – 1970, was President from 1972-73, and was elected Life Member in 1981.

TTNZ acknowledges John's monumental contribution to table tennis and offers condolences to his family on behalf of all present-day players and supporters.
