Introduction

Over the past two years Table Tennis in New Zealand has started to come of age in the era of professionalism in sport. With a dedicated base of volunteers including the Board of Directors, administration staff, coaching staff, umpires and not forgetting the players, we have worked together to create a solid base for growth.

There have been a few hiccups along the way as we have moved into the internet era. Yes it would have been great to have had a state of the art competition management system in place in time for the Nationals, but we could see the long term vision and we have coped well with the transition. What we do have rolling out across the country is a state of the art system for recording and managing our player registrations. Already, as the system is picked up in the main centres we are experiencing registered player growth. This is the sort of thing that reflects well on us as a sport and is attracting increased attention and support from SPARC.

Speaking of increased attention, over the past few months we have seen Table Tennis on TV a number of times, on the talk-back, in the papers. We can thank our new CEO, Mike Loftus, for his determination to drive Table Tennis into the public arena. As our high performance program is developed and our players start to succeed on a more public stage it is great to see the increasing exposure and media attention this is gaining.

Personal highlights have been the success of our younger players during the year, particularly the Junior Girls team beating the Aussies. As we build up for next years Commonwealth Games we can be confident that as a group we are doing our best to bring home the medals. TTNZ's junior development and coaching program is recognised as world leading so as long as we stay focused and keep the forward momentum we stand in good stead for a successful future.

The past two years have been significant for me. I have participated in the coming of age of the professionalism of Table Tennis in New Zealand. I ask you all to stay focused on our vision as a leading sport in New Zealand and keep on growing. Lets make 2006 even more successful than 2005.

Graeme Muller
Chairman of the Board

CEO Report

The vision, hard work and dedication of people across table tennis in New Zealand provides the backbone of our sport. From managing competition evenings, to data entering results, to raising funds for team travel, the work of our volunteers is invaluable.

The entirely volunteer Board of TTNZ has set some fairly ambitious strategies with regard to the growth of the sport, and the delivery of supporting infrastructures. Key to managing our growth is coaching. Without an adequate number of qualified and motivated coaches, new and existing players will not enjoy an experience that will compel them to return to the sport. Likewise, without qualified and skilled elite coaches, our most talented individuals will not have the support to fulfil their potential. It is for this reason that we are currently in the midst of re-designing the TTNZ coach education framework, to meet the demands of the sport over the coming years.

Since coming onboard in January 2005, I have been impressed by the will of people across the sport to move the game from a "parlour sport" image, to a sport able to hold its head up through a significant player base and consistent performances at international elite level. The funds to assist us in taking the initial steps toward this goal has come through significant support from SPARC, the New Zealand Academy of Sport and Gaming Trust assistance from the Lion Foundation, New Zealand Community Trust, Cue Sports and Scottwood Trust. Without the support of these organisations, we would simply not be able to progress.

The performances of our players over the last year have also been a cause for pride. Our junior boys' team narrowly missed out on qualifying for the Junior World Champs, while the girls' team beat Australia 3-0 to qualify for a trip to Austria in December. The progress of all these players is testament to the investment in junior development provided by TTNZ over the last few years. The performance of members of our Commonwealth Games squad members has also been very impressive, with Shane Laugesen's performance in reaching the semi-finals of the Australian Open a highlight.

With the Melbourne 2006 Commonwealth Games only a few months away, I ask that you get right behind supporting the team. The work all the squad members have put in to make the team has been significant, with each spot very hotly contested. The Bank of New Zealand is supporting our team members through their 'Adopt an Athlete' program, providing an opportunity to make a donation to athletes to assist in their preparations. Your donation to one of our team will assist greatly in their success.

Following on from a successful 2005, it is with great anticipation and excitement that I look forward to working with you all in making 2006 even more successful.

Yours in table tennis

Development Report – New Zealand Moving Forward

New Zealand is certainly one of the countries to fully embrace and benefit from the ITTF Global Junior Program.

New Zealand was the first Oceania country to host a World Junior Circuit event, have had participants in every World Cadet Challenge and World Junior Championships (which both require qualification through Oceania) and at the 2005 Shanghai World Championships was appointed as the host for the World Junior Championships in 2008.

This will be the most prestigious 'table tennis only' event held in Oceania to date. The multi skilled John Stapleton has been the driving force in both successful bids and being TTNZ High Performance Manager and National Coaching Director, while also managing North Harbour Table Tennis, is no easy task.

TTNZ have also very cleverly appointed the highly motivated, hard working and well connected, Mike Loftus as CEO, which in a short time is already making a huge difference.

Mike and John are building on a strong base left by the hard-working James Morris. Mike has already put together a well thought out and detailed Coaching Strategy, 'player driven and coach led', and plans include a New Zealand Table Tennis Academy connected to one of the best schools in New Zealand, National and Regional Coaches and Development Officers and a long term plan for New Zealand to become competitive on the world scene.

Part of the strategy has been adopting the ITTF Coach Accreditation system, which has put table tennis ahead of many sports in New Zealand who do not have such a structure in place.

From ITTF point of view it is very motivating to work closely with progressive, forward-thinking administrators such as in New Zealand, as I have watched New Zealand progress and grow over recent years.

New Zealand will not become a world force overnight, but a good structure, detailed planning and committed leaders in John Stapleton and Mike Loftus, together with strong regional and club level support from the volunteer administrators and coaches is certainly a big first step in the right direction.

The TTNZ train is departing and building momentum. Hop on board and be part of a bright future for table tennis.

Glenn Tepper
ITTF Development Manager

Oceania Development

As Oceania Development Officer I get to see snapshots of how all National Table Tennis Associations in our region grow (or fail) and function (or don't function). I have now been working as Development Officer in our region for well over 3 years and have had the pleasure to visit New Zealand a number of times. As well I have built a strong working relationship with many of the Association members. This has become increasingly easier as the Oceania Table Tennis Federation and Table Tennis New Zealand both have the same goal in mind i.e. the development of our beloved sport.

However, it is not all as rosy as this in all Associations in our region. TTNZ, especially in the last 12 months has taken some very large steps at trying to develop the game in New Zealand. One area that this has been greatly seen in is the area of coaching and grass root development. TTNZ have taken on board the ITTF syllabus for accrediting Coaches, which includes both fostering the pathway for professional coaches while also offering an alternative for those who just want to know the basics for beginners. Not only this, but they are also working on professionalizing the NZ athletes by providing greater coaching and training opportunities.

I personally feel that all the correct steps are being taken in NZ at this time. The results from the World Junior Championships qualification in Fiji were justification that the methods are already paying dividends and if TTNZ continues to develop at such a rate, then I feel many things are possible for the future. For a long time South Pacific table tennis Associations have looked elsewhere for a model or leader for their development. With the South Pacific Associations attendance at the New Zealand Open championships as evidence, I can honestly say that other regional Associations are now looking more and more to New Zealand as a role model.

I congratulate TTNZ on the progress made in 2005 and remind them of the great amount of work that lies ahead of 2005 and look forward to the continued relationship in the future.

Coaching / Coach Education Report

Coach Education

This year was a watershed year for coach education and we are now embarking on an ambitious and exciting plan. Our aim is to create a world class coaching environment within NZ, that will allow players and coaches to develop world class capability, while based here in NZ. Coach education and coach development are seen as two of the most important elements in creating this environment. Because of the increased profile and work load that this position demands, we have appointed Joachim Kusche as the specialist coach education co ordinator for TTNZ.

The main highlights in 2005 in the coach education field were

- 1 The aligning of our TTNZ infrastructure and coach education framework to SPARC policies and to NZQA unit standards
- 2 The appointment of Paul Smalley (formerly NZ Soccer) to drive the coach ed. project and to ensure we have our framework and content ready to go by the deadline of April 2006.
- 3 Working with Glenn Tepper and Steve Dainton (ITTF) in putting together our coach education plan for the future.
- 4 Training of our coach assessors at courses run by the ITTF and by SFRITO.
- 5 The holding of our first ITTF Level 1 crossover course in November 2005.
- 6 Putting together a data base of all currently active NZ coaches, and a list of their qualifications and part qualifications.
- 7 Planning in place for a 2nd ITTF Level 1 course, an ITTF Level 2 course and targets set for Community Leader courses in 2006.
- 8 Working with the Halberg Trust in getting inclusion modules as part of the coach education framework.

High Performance

This year we made the conscious decision that if we were going to make significant progress towards our aim of being a top 16 nation in the world by 2012, then we would need to set a plan now, that will allow us to work towards this aim. All the coaches, selectors and administrators on the team were given the opportunity to have input and there is significant buy in from most of us, on the direction we are heading in. The plan also envelopes the new coaching strategy, and concentrates us on being more athlete focused in setting our programmes and more coach focused when it comes to setting development plans for each individual player or coach. We also are starting to include in the planning some key coaches at association level, who we feel are an important part of the process.

Grants

We received Performance Enhancement Grants for Li Chun Li and Karen Li
Prayer ministers scholarships for Aaron Li and Li Chun Li as coaches were received.

Players to receive the PM scholarships were Nathan Lowe, Andy Huang, Simon Wallace, John Cordue, Li Chun Li.

The following players were accorded New Zealand Academy of Sport carded status – Peter Craven, Karen Li, Sarah Ho, Michelle McCarthy, Hanna Squire, John Coprdue and Simon Wallace, Sophie Shu, Shane Laugeson, Brad Chen and Annie Yang (pending).

A sports science plan was done by co ordinator Simeon Cairns which included a detailed plan of use of NZAS resources and providers, musculoskeletal scans, a series of fitness testing and personalized strength and conditioning programmes set for each of the athletes. Richard Petrie was appointed as mental toughness coach and worked with a number of the players in this field.

Training camps

Each of the national coaches wrote a detailed plan as to how they felt NZ could best achieve desired results in 2005, and this included a series of training camps, some for juniors and a number developed specifically for the mens and womens Commonwealth Games training squads. In general I received very favourable results as to the conduct and professionalism of the camps and it is likely we will continue with the basis of these successful concepts next year.

Regional camps were also an area of success in 2005 and the professionalism shown in the running of these camps was at the highest level in memory. There will be added importance attached to national and regional training camps in 2006 with the starting our individualized programmes for national squad members. For all camps it was a requirement to write a report so as to share information with all of the high performance team, which enables us all to work better individually and as a team.

International results

A highlight was the trip to the World Junior Circuit in Fiji, where our under 18 girls team defeated Australia 3-0 and qualified for the World Finals in Austria in December. The boys narrowly lost 2-3. Steven Zeng and Jenny Hung also successfully qualified for the Oceania team for the World Cadet championships.

A small development senior team was sent to the World Individual champs in May

A womens test match was held against Australia at The Nationals, lost 3-4

Commonwealth Games

Ron Garrett was appointed as TTNZ manager of activities relating to the Games in 2005 and he has attended to the multitude of different meetings, and requirements. Our team management in 2006 will include Ron as manager, Helen Codlin as video analyst, and Li Chun Li and Aaron Li as coaches.

Coaching Director's Report

The number one priority in 2005 was to bring as many different groups and individuals together in working towards a common vision, creating a world class coaching environment within NZ. Whilst there is still skepticism amongst some, we have made considerable progress and we acknowledge the help from a number of key persons, in particular from SPARC and the ITTF in sharing and encouraging us to go for our goals and vision. It is with these key partnerships that we will ultimately succeed.

Key points

- 1 Established separate mens and womens national coaches, meaning we can be more athlete focused
- 2 Set up a steering committee initially to scope our coach education framework but also to include recommendations for all aspects of coach development
- 3 Have approved and put into practice "TTNZ Coaching strategy". Implementation has begun and will be much more fully developed through our pilot schemes and key appointed personnel in 2006. A series of meetings with key individuals were held in order to put together the original concept. Notable contributors I should mention were Andy Rogers, Paul Ackerley and Steve Dainton.
- 4 Have established the concept of national squads within their coaching communities. This will be much further developed in late 2005 and 2006.

Our High Performance and Coaching team in 2005 was:

John Stapleton (High Performance Manager and Coaching Director), Paul Smalley (Coach Education Framework Project Head), Joachim Kusche (Coach Education Coordinator), Richard Petrie (Mental Toughness Coach), Shane Laugeson (Independent Player Liaison Person), Murray Finch (National Junior Coach and Selector), Helen Codlin (Assistant Junior Coach), Aaron Li and Li Chun Li (National Mens and Womens Coaches), Bryan Keane and Hagen Bower (Selectors), Darryl Lew, Malcolm Darroch, Alan Pedley, Wayne Gear (Regional Coaches), Steve McCarthy (Board Member), Ron Garrett (Games Manager), Simeon Cairns (Sport Science Coordinator), Averil Roberts (Admin Officer), James Morris (Asst Womens Coach), Mike Loftus (CEO).

2005 National Men's Squad Report

Training Camps

Up to this date we have had four training camps this year. Two have been in Auckland, one in Christchurch, one in North Harbour. Next month we will have our last training camp of the year in Auckland.

In the first training camp I looked at what skills the players have, and what they can improve on. I also introduced the players to some physical training exercises that help develop quick movement in the games. From this training camp I found that many of the players skills have some problems, so I told them about their problems and how to fix them. I felt the players responded well to what I said and tried hard to work on their problems in this camp.

From the second camp onwards I have introduced new skills to the players and helped develop these skills in the camps. For example many of the players short games are not very precise in terms of choosing the right time to flick or push short etc. Also when playing games most of the players rhythm does not change, which makes it easy for their opponent to control them. I know that it is very difficult for the players to fix these problems in a short time, but I am happy with the efforts that they have put in to the training camps and I am sure they will improve more from future training camps.

I also think the mental toughness session with Richard Petrie was very useful for our players in terms of helping them with the mental side of the game.

The fitness testing that was recently conducted on the players will be very useful for identifying players weaknesses physically and in future training camps I can work with all the players on how to improve these weaknesses.

I would also like to acknowledge all of the help we have had from billets at these training camps. They were very helpful for the camps, and the players appreciated their help very much.

Qualification Tournaments

This year we had five qualification tournaments for the Commonwealth Games Team. These were the New Zealand Open, North Island Champs, Auckland Open, Waikato Open, and a training camp round robin.

I discussed the qualification tournaments with the players and I felt they were happy about this system for selection of the New Zealand Mens Team. I think that by having these qualification tournaments it encouraged the players to train very hard at the camps and created more pressure on the players to perform at these tournaments. By having this system of qualification it encourages the players to train very hard to improve their level because they know if they play well in the qualification tournaments they have a chance to represent the New Zealand Mens Team.

I strongly suggest that for all international tournaments where TTNZ is paying for a New Zealand team to attend, that there should be a clear-cut qualification tournament system for the selection of these teams. I believe this is the best way to help our players improve because of the pressure of the games and they know exactly what they need to do to qualify for the team. I know that all the players want to represent their country in table tennis, so it is only fair that we have a very clear system for choosing New Zealand teams and I believe qualification is the best way to make selection as clear as possible.

In the future I would like to continue working with TTNZ to make the National Mens Team stronger and able to produce some good results internationally.

Aaron Li

New Zealand National Men's Team Coach

2005 National Women's Squad Report

The Commonwealth Games 8 women squad came to being on Queen's Birthday weekend training camp. Now, the squad consists of 7 with one withdrawing for family reasons. The players are – Karen Li, Annie Yang, Sophie Shu, Michelle McCarthy, Hanna Squire, Jenny Hung and Sarah Ho.

Up until now we have had 4 training camps – 3 at North Harbour and one in Christchurch. We had North Island Championships in July, Waikato Open in August and the National Championships at the end of September with a Test Match against Australia held during the Nationals. During the last training camp in October we had a trial tournament. Karen Li won the Nationals Championships this year.

We are training for the Commonwealth Games. We will have another training camp before the end of this year. In January we hope to go to China for 6 weeks training and from there to Japan to play in the Osaka Open. This trip is reliant upon funding approval. Before the Games we will have the last training camp in New Zealand.

All of the girls have been training very hard during the training camps, and they all made good progress. Of course, they still have a way to go but I am more and more confident in them as I see their improvement.

Selectors Report

The selection panel has again been busy this year with the build up to the Commonwealth Games being our main focus. Alongside this there has been the selection of Oceania and World Junior Circuit junior teams that have represented NZ with great success this season. We have NZ players selected in Oceania spots again this year, which is showing us just how successful our junior development program is and we thank the coaches who have made this run so effectively again during 2005 throughout the whole country. There are many

opportunities for us to send teams away but as usual it all comes down to funding but we have endeavoured to gain as much sponsorship as possible and most players have benefited from that this year, attending selection / training camps all over the country.

A special thanks must go to the Waikato Association who invited all the Commonwealth Games squad to their Open Championships due to a successful grant application which made it possible to see the players funded for travel and accommodation. This gave the selectors another chance to see the players concerned battle it out between themselves. As selectors we need to see our players play each other as often as possible which is good for every member of the High Performance squad as they all need to gauge just where they are at if they are going to perform at their best for New Zealand

I would personally like to thank all the players who have made great efforts to attend the training camps and tournaments in what has been an extremely busy year and I assure you all that we are taking all your results into account as we go through the NZOC selection criteria before we announce our final teams in what is the closest race for Games spots ever.

Thanks to my fellow selectors, Murray Finch and Hagen Bower who give so much time to our sport. Selection is not an easy job as I am sure you are all aware.

Veterans Committee

Early in the year our Committee was formed to further the quality and quantity of participation and performance of veterans table tennis in New Zealand.

Members appointed by the Board were myself, Averil Roberts and Dennis Galvin.

The role of the Committee is not to do the organising of events for veterans (this is up to host Associations), but to help create and advise on implementing activities to advance veterans table tennis.

To do this we will help co-ordinate National events, act as advisors to TTNZ on issues relating to veterans participation, assist associations in promotion of events for veterans including social participation. At present, players Over 40 add up to around a third of registered players and that does not include many social players not registered by some Associations.

Some Associations arrange great activities for veterans, yet others do nothing. One of the areas we can help here is finding out what works well, communicating this to other Associations and encouraging them to try new events for veterans.

Veteran players come from all walks of life, many are the backbone of their local Associations, many are working people and have limited time to participate in national events, many are retired and costs relating to entry, travel and accommodation have a large bearing on what they can do. Thanks to Dennis. In arranging sponsorship with NCI National Corporate Installations the New Zealand Test team in Whangarei were all in the same uniform for the first time.

The Committee is presently calling for a selection panel to cover all age groups.

The Committee is open to feedback on what veteran players want, what works well, what doesn't work well and reasons for this.

Ron Garrett
Veteran Committee Convenor

Technical Committee Report

2005 was another very busy year for our committee, and one that included some firsts. The lack of a TTNZ rating system earlier in the year, as a new one was developed, caused a few issues for the committee seeding events. Now that the new system is online its hoped these issues have been resolved.

2005 was the first year our committee was responsible for processing entries and generating individual and team draws, seedings and timetables for the national events. This involved a steep learning curve for those involved, as well as countless hours of work.

Following a request from last years AGM, 2005 was also the first year that individual events used groups of four with two qualifying, as well as a consolation event. This effectively doubled the number of games to be played and caused timetable issues at the North Island and National Championships. It is recommended that TTNZ survey player opinion to see if players appreciated the extra games, by holding plates, to see if this should continue.

Huge entries for the nationals this year also created an extremely tight timetable. Many thanks must go to Shona Cudby and Bryan Keane for their tireless efforts during the week to keep the tournament largely running to time.

Thanks to the committee Sabine, Shona, Shane and Bob for yet another job well done.

Andrew Palmer
Convener

Umpires

It is once again a great pleasure that I can write a report for the Committee of the New Zealand Umpires & Referees. The Committee currently consists of Bruce Penberthy, Chairman, Michael McAvinue, Alan Moore and Val Scarr, Secretary.

There are always things that can be improved upon, but they take time, planning and the effort of a lot of individuals. This is not easy. One problem I see for the future of NZ Table Tennis is the lack of qualified Referees. This is a problem that must be seriously addressed for the immediate future.

At the moment table tennis umpires nationally are on a real ride, with increasing numbers of people sitting the umpire examinations. The success of passes this past year has been excellent. It is apparent that more players, particularly senior players, see umpiring as a necessary aspect of the sport and are willing to give it a go. Congratulations to them all. The South Island has been ably led by the highly enthusiastic Alan Moore. I commend him on his efforts. Well done Alan.

At 2004 Nationals, it was disappointing that no boy was sufficiently competent to be awarded the Edna & Alan McCallum Trophy. Congratulations to Megan Stratford for her efforts in winning the girls trophy again. She has the makings of a great future as an umpire in table tennis. Well done Megan.

To the Committee, I thank them for their participation and friendship they have given me. To know and work with them has been a real pleasure, but like all good things there is an end. Once again sincere thanks to all concerned.

Rankings

To qualify for a New Zealand ranking, players must have competed in a minimum of four rating events in any particular category, excluding B and C grades. Allowance is made for players who were unable to compete in rating tournaments due to overseas commitments.

Rankings are compiled by the Selectors. Results from Under 18, 17 and 16 events are considered as well as Under 19 for the Under 19 list; and results from Under 15 and all younger age-categories are considered for the Under 15 list. All other age-category results are considered for the Open lists.

Due to unavailable data, the Selectors have not been able to compile the lists by the Report deadline. Lists will be displayed on the Website as soon as they are available.

Ratings

The Rating Lists are based on points gained through participation in any open championship played in New Zealand, provided the results are forwarded to TTNZ. Points from last year are carried forward and updated lists are published regularly throughout the year. Only the top 10 players in each category are listed in this report. The full list can be viewed on the TTNZ website (www.tabletennis.org.nz). These are being updated as results come in.

Final lists for 2005 as at 21 October are listed on the following pages:

World Table Tennis Individual Championships

(Held in Shanghai, China, 30 April – 7 May 2005)

New Zealand was represented at these Championships by Aaron Li, Simon Wallace, John Cordue and Annie Yang who all paid their own expenses. Although none made it through the final qualifying rounds it was a valuable learning experience for them all.

Two Officials also represented New Zealand at the championships. David Jackson was a Deputy Referee and Averil Roberts was one of the invited International Umpires.

2008 World Junior Championships Bid

New Zealand made a successful bid for for 2008 World Junior Championships, at the ITTF (International Table Tennis Federation) Council meeting in Shanghai during the World Individual Table Tennis Championships in May this year.

The application for a bid goes back a couple of years with the forward thinking of TTNZ Board member and North Harbour stalwart John Stapleton who facilitated TTNZ approval and support of North Shore City Council. The North Shore City Council certainly saw the value of having a world table tennis event in their city, having already been host to other sporting events of international size.

With the financial backing of the North Shore City Council the bid was put together with glossy booklets, power point presentation, DVD and a static display showing all the benefits of North Shore, Auckland region and New Zealand, not only the facilities for table tennis but the wider tourist benefits.

The delegation comprised George Wood (Mayor, NSCC), John Brockies (Chief Executive, NSCC), Paul Dunphy (Events, City Promotion and Tourism Manager, NSCC), Karen Li (TTNZ Delegate), and Ron Garrett (TTNZ Board).

We followed a bid by San Francisco for the 2007 Championships and we were allowed to sit in on their presentation. It would be fair to say the presentation put together by the North Shore City Council would have left their bid for dead.

The World Junior Championships is the glamour junior event of the year and guaranteed to attract the best players.

While it may be 3 years away there is a lot of work to be done before then and I have no doubt that TTNZ and North Shore City Council will do everyone proud.

New Zealand Team Report

The New Zealand Junior team was selected to participate in the Fiji round of the WJC which also included the Cadet qualifying and teams qualifying for Oceania. This event, hosted by Fiji, saw the input of Anthony Ho of the host association as fundamental to this venture and his support throughout the event was greatly appreciated.

The NZ players competed in the following events:

- o WJC Teams event
- o WJC Individual Events
- o Oceania Teams Qualifying for World Teams
- o Oceania Qualifying for Cadet Championships

Prior to the WJC events the NZ Players participated in a training camp. All players found this time useful especially due to the input of the European coach Jarek Kolodjeyjeck and assistant Peter Karlsson, who operated as a training partner during the camp.

Coaches general comments about the Team:

This team functioned well, with players making choices that fitted best for them at the time. Every member of the team fought hard during matches and they all supported each other well on the table. Off the table, all the team was inclusive of the other members which built a very good team atmosphere. The players all have a good sense of humour and used this at appropriate times in an acceptable manner – they all seem to enjoy each others company.

The highlights from a results perspective:

Steven Zeng and Jenny Hung qualified for the World Cadet Championships

The Girls Team beat Australia (3-0) in the Oceania Teams Qualifying Final for a place at the World Junior Teams Championships

The Boys team lost a very tight contest (2-3) to Australia in the Oceania Final for a place at the World Junior Teams Championships

Results: Overall summary for each player is as follows:

22nd Australian Open Veteran Championships

held in Darwin 10/17 September 2005

This year the Over 50 Women's team was joined by a Men's Over 40 team as well as a player in the Over 40 Women's Presidents Team.

The women, comprising Valerie Beaver (won 12/lost 6), Averil Roberts (10/8) and Lynley Barker (8/10) and Janice Stead (non playing umpire) held their 3rd seeding and won the bronze medal from seven teams. In the Over 40 Women, the Presidents team ended up 4th from 5 teams with Ulriche Kusche (1/8) a member of that team.

The men, comprising Malcolm Darroch (17/1), Lyndon White (10/8), Henry Redmond (9/9) and Joachim Kusche (4/14) also held their seeding and ended the competition 4th from nine teams.

The outstanding New Zealander was Malcolm Darroch who only lost one singles match in the teams event and went on to win the Over 40 Men's Championship beating Brian Berry, Paul Pinkewich and Wayne Heginbotham on the way. He also won the Stiga best player award and was ranked # 1 on the tournament Merit List. Congratulations Malcolm, you were a worthy winner.

Lyndon White made the last eight in the singles and paired with Malcolm, also made the last eight in the men's doubles.

Val Beaver also had a good tournament picking up a bronze medal with Bill Robson (NSW) in the O40 mixed doubles, and a bronze with Mick Wright (Victoria) in O50 mixed doubles. Val and Averil made the last eight in both O40 and O50 women's doubles.

Averil and Malcolm made the last eight in O40 mixed doubles being beaten narrowly in the fifth set by Beaver/Robson.

Four players made the tournament Order of Merit:

Malcolm Darroch	No 1	O40 Men
Lyndon White	No 9	O40 Men
Val Beaver	No 7	O50 Women
Averil Roberts	No 10	O50 Women

The Championships were held in Darwin at the Marrara Sports Complex. With the temperature around 33 degrees every day, all players I am sure, were pleased to have air conditioned halls to play in. Northern

Territory Association were short of helpers and I was able to help out occasionally especially at the time of the teams tossing and presentations.

I was very proud of all our players, especially their sportsmanship and mixing with our fellow participants. This year was the first year that all teams were eligible to win their grade. In the past, only State, Territory or Oceania teams could win. There were players from Japan, Sweden and Bulgaria so this tournament is expanding with 240 players in attendance in 2005.

An important issue to come out of the Delegates meeting was that the fee for doubles would be half the singles fee (per payer) rounded down. It was also decided that nominated doubles pairs MUST wear the same colour shirts. In the past players from different States could play in their individual State shirts but this has now changed and only players paired after entries close may have differing shirts.

I would like to thank TTNZ for the opportunity to manage this team and I was proud of all the players whether they were winners or not on the table because of their sportsmanship.

National Tournaments

TTNZ thanks all those Associations who hosted National tournaments in 2005, and also those whose computer technology was utilised to process entries.

The events conducted were the Summer Nationals, NZ Veterans Championships, South Island Championships, North Island Championships, New Zealand Championships and NZ School Team Championships.

The support of the sponsors for these events is very much appreciated.

The permanent trophy list and team and individual results for all National Tournaments are listed hereunder.

Association Award – Arthur Meachen Memorial Cup

This award is presented to the association whose players achieve the most successes in the finals of the senior and veteran individual events at the New Zealand championships.

Points are awarded on the basis of 4 and 2 respectively for the Open and age group events. In the doubles events the partners share the points.

The 2005 award was won by CANTERBURY.

Association Award – Bill Hurrey Cup

This award is presented to the association whose players achieve the most successes in the finals of the junior individual events at the New Zealand championships.

Points are awarded on the basis of 4 points for the Under 19 and 17 events and 2 points for the Under 15 and 13 events. In the doubles events the partners share the points.

The 2005 winner was AUCKLAND.

Alan and Edna McCallum Junior Umpiring Awards

Congratulations are extended to **Daniel Haxton** (Wairarapa) and **Megan Stratford** (Marlborough) who were adjudged the respective winners of the boys and girls awards. A cash prize was presented to both as well as a medal.

A new format for judging this competition was introduced by the Umpires Committee this year. All nominees were to:

1. Complete a test paper on Laws and Regulations of Table Tennis
2. Commit to tutoring by an Association tutor
3. Be prepared for both practical and theory assessment at the National Championships
4. Be available for umpiring duties as allocated by Official in charge of the Umpire awards
5. Be prepared for further tuition as required by the Official in charge of the Umpire awards.

Adopted Ball

The Butterfly 3 star ball was the official ball of Table Tennis New Zealand for 2005.

Sponsorship

Thanks to NCI National Corporate Installations for sponsoring expenses for the Veteran Test Match against Australia held in Whangarei at Easter. This sponsorship ensured all members of the New Zealand team were dressed uniformly.

Blackbox – a Mobile Audio Provider, has come on board as TTNZ's official audio sponsor. Their Website address is www.blackboxav.com.

Communication

Table Tennis Info magazine

This magazine was launched in 1996 and issue No 1 was published in October that year. Issues 25, and 26 were produced in the year ending 30.9.05 with all issues mailed directly to each of our registered members. Editor Robin Radford is responsible for the high standard of production and has built up a vast library of photographs, clip-art, and cartoons as well as a network of professional artists and support personnel. John Kiley continues to provide support by sub-editing the text and contributing written material. A team of about ten volunteers assist with the dispatch of up to 4000 copies of the magazine in individual envelopes. A decision is yet to be made on the future of this publication.

TTNZ web site

Our web site (www.tabletennis.org.nz), continues to attract increasing numbers of visitors, favourable comments and useful suggestions. Originally set up by Mike Brown in 1998, it's development and day to day maintenance has since been in the hands of Robin Radford.

Internal Communication

Communication with member Associations was maintained by monthly Updates, reports on board meetings and sundry memos.

Player Liaison

Shane Laugesen has replaced Alan Pedley as the Player Liaison representative. His attendance at Board Meetings to put forward any queries he has on behalf of the players will be welcomed.

Obituaries

Errol Cheal – passed away on 12 September, 2005 at the age of 98.

The funeral of Errol Cheal was held on Tuesday 20 September at Errol's home in Rockwood Road, Epsom. It was an all family affair, but Dick Rassie and Bob Lassen sneaked in to represent table tennis.

Errol had a long life and many thought he would make it all the way to the 100 year mark, but he left us after 98 years and 7 months. Right to the end, Errol was very sharp mentally and enjoyed visits by friends and family.

A selfless administrator since the inception of organized table tennis, the winner of the first ever NZ Men's Singles championship in 1934, an avid collector of table tennis memorabilia, the recipient of almost every honour both the New Zealand and Auckland Associations could bestow. A Life Member of TTNZ.

Errol started playing the game during his schooldays with brother Laurie, on the kitchen table in his Te Kuiti home.

On his arrival in Auckland in 1926, he joined the Custom Club which was participating in competitions organized by the Auckland Association, formed by tennis players as a means of keeping fit during the off season.

The Customs Dept transferred Errol to Wellington in 1931 and two years later he appeared for the capital city in the inaugural Auckland – Wellington representative fixture, but first it was necessary to help found a Wellington Association.

In 1934 Errol found himself posted back to Auckland and ever since resided there as a player and administrator and helping the sport develop. He was present at the birth of the New Zealand Association itself.

Errol played with a sandpaper bat but switched to rubber after he was trounced by the famous English star Fred Perry in 1933. Perry's visit stimulated the general adoption of rubber surfaced bats, which in most essentials, were not very different to the bats of today.

The first ever New Zealand Championships were held in the Wellington Town Hall and organized by Tommy Williams. The tables were fast and the net at 6 ¾ inches precluded all out attack. In a memorable final, Errol disposed of Frank Paton 20-22, 21-16, 16-21, 21-17, 21-18.

As fine as is his playing record, it is undoubtedly eclipsed by his service as an administrator. His unvarying principal has been to 'make himself available' as required.

Russell Algie – passed away on 29 March 2005 aged 84

Russell was New Zealand Men's Singles Champion six times between 1939 and 1951. He also won two NZ Men's Doubles titles partnered by his brother Afton, and two Mixed Doubles titles, one of them (1952) with Barbara Williams who later became his wife. This string of national titles was an incredible feat considering the interbention of World War 2.

He last won the NZ Men's Singles in 1951 after taking a year off, and then downing the defending champion, Bob Jackson. In 1969 he appeared again to win the NZ Over 45 Men's Singles.

A lefthander, he was noted for his fast and elegant footwork, impeccable manners and solid defence with a finishing backhand flick.

He was a member of the first NZ representative team (to Australia in 1939) and was the first and sole representative to compete at the World Championships (London 1948), losing in the 3rd round to a former United States champion. In 1949 he played for NZ against world greats Victor Barna and Richard Bergman when they toured NZ.

A real man of sport, Russell excelled in cricket, rugby and boxing. He played golf with the remarkable handicap of 2 and was a Life Member of North Shore's Pupuke Golf Club. For 25 years he owned and operated a sports shop in Takapuna.

In the Otago Association's 50th Anniversary booklet, Russell relates the story of how he went AWOL during the war to play in the first rounds of the Otago Championships and was confined to barracks as a result. However, he went over the fence and won the title. Headlines in the next mornings paper read 'ALGIE RETAINS TITLE'. It wasn't long before he was in front of the Colonel who said it was lucky for Russell that he hadn't got his glasses with him that day otherwise he would have stood a good chance of a court-martial!

While serving in the army in the Pacific he was an easy winner of the Pacific Islands Championship.

The Table Tennis Hall of Fame was inaugurated in 1999 and Russell was one of the six original inductees.

Statement of Accounting Policies
For the year ending 30 September 2005

General Accounting Policies

The measurement basis adopted is that of the modified historical cost system. Accrual accounting is used to match revenue and expenses.

Particular Accounting Policies

Accounts Receivable and Sundry Debtors are recorded at net realisable value, after eliminating doubtful debts.

Stock on Hand: Stock for resale has been valued at the lower of cost and net realisable value.

Depreciation for the following asset classes is provided on a straight line basis at rates that will write off the cost of the assets over their estimated useful lives which are as follows:

Office Equipment	5 years
Computer Equipment	5 years

Depreciation is being provided on a diminishing value basis in respect to Office Furniture at 10% pa.

Goods and Services Tax: These financial statements have been prepared on a GST exclusive basis and any tax due or owing at balance date is shown in the Statement of Financial Position. GST is accounted for on the payments basis.

Changes in Accounting Policies

There have been no changes in accounting policies since 30 September 2004

Audit Report

To the readers of the financial report of Table Tennis New Zealand, Inc.

I have audited the financial report contained in the 2005 Table Tennis New Zealand Annual Report and Statement of Accounts. The financial report provides information about the past financial performance of Table Tennis New Zealand, Inc. and its financial position as at 30 September 2005. This information is stated in accordance with the accounting policies set out on the third and fourth pages of the financial report.

Board Responsibilities

The Board is responsible for the preparation of a financial report which fairly reflects the financial position of Table Tennis New Zealand, Inc. as at 30 September 2005 and of the results of operations for the twelve months ended 30 September 2005.

Auditor's Responsibilities

It is my responsibility to express an independent opinion on the financial report presented by the Board and report my opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- the significant estimates and judgments made by the Board in the preparation of the financial report, and
- whether the accounting policies are appropriate to Table Tennis New Zealand's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted auditing standards in New Zealand except that my work was limited as explained below. I planned and performed my audit in order to obtain all the information and explanations which I considered necessary. I obtained sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming my opinion, I also evaluated the overall adequacy of the presentation of information in the financial report.

Other than in my capacity as auditor, I have no relationship with or interest in Table Tennis New Zealand, Inc.

Unqualified Opinion

I have obtained all the information and explanations I have required. In my opinion, the financial report contained in the Annual Report & Statement of Accounts fairly reflects the financial position of Table Tennis New Zealand, Inc. as at 30 September 2005, and the results of its operations and cash flows for the twelve months ended on that date.

My audit was completed on 25 October 2005 and my unqualified opinion is expressed as at that date.
