TOSHIKI TANAKA

Present World Champion. Plays with sponge, and is a pen-holder. Won his first world championship in 1954-55. Tanaka has the hardest hit in the game. He is about 21 years of age. He, like all Japanese players, makes physical fitness one of his first considerations. Tanaka is a student of Nihon University.

ICHIRO OGIMURA

Former World Champion, 1953-54, and 1955-56. Aged 24. Ogimura is employed in his uncle's Industrial Co. at Nihon University, Japan. He represented at Softball, Japanese Wrestling, and Tennis. Sense of fun. Very shrewd, and applies considerable thought to play. Always learning by watching and experience. Ogimura always does his special "keep fit" exercises daily, particularly flexing and arm strengthening exercises to meet the abnormal arm-strain of his style. Has the real champion's ability to be able to completely relax when not playing.

The Japanese Manager is Mr. Hitoshi Shimizu
