CITY OF

MANUKAU

Message from the Mayor:

It is with pride and pleasure I extend to Mr. Tang Hung Bor and Mr. Ma Lung Sang, a most cordial welcome to the City of Manukau on behalf of the Council and the City's 104,000 residents.

I congratulate the Franklin Table Tennis Association for arranging this, their first Table Tennis Test Match - between New Zealand and Hong Kong - and I hope it will be the forerunner of many more matches with our Hong Kong friends in the future.

Table Tennis is an admirable world-wide sport which is played socially in the home and competitively in the clubs and it deserves the public's full encouragement and support.

Many people join with me in expressing pleasure that this Test Match should have been arranged and that Manurewa Recreation Centre has been the selected venue.

I understand at the time of writing this message the New Zealand team has not been selected but I hope to welcome both teams personally prior to the commencement of the Test Match and I look forward to the event with much pleasure.

Lloyd Elsmore.
MAYOR.

WELCOME FROM THE PRESIDENT:

We are very pleased to welcome to New Zealand the Hong Kong players, Tang Hung Bor and Ma Lung Sang. The New Zealand players who attended the recent first Commonwealth Championships, held in Singapore in March of this year, are especially delighted at this opportunity to renew their association with these Hong Kong friends.

We have acted as hosts in the past to the Japanese (1957) and the Australians (1964) but this is the first time that we have had the privilege of staging a Test Match, and we trust that these visitors enjoy their stay in our Franklin area.

International competition in any sport is not only of benefit in improving standards of play, but also, and perhaps more important, helps to strengthen the bonds of friendship between nations.

We in Franklin hope that our visitors leave New Zealand with memories of a happy and enjoyable tour.

Jim Crotty
PRESIDENT, FRANKLIN TABLE TENNIS ASSN.
